Can you also post these under a new site update for the Allied Website:  
<http://www.epa.gov/region5/cleanup/alliedpaper/index.html>

Under Site Updates:

## September 2015

EPA plans to clean up contaminated material at Allied Paper Landfill, a former landfill in part of the Allied Paper/Portage Creek/Kalamazoo River Superfund Site called Operable Unit 1. The plan details EPA recommended cleanup options which include consolidating and capping material containing PCBs and other contaminants, and installing a groundwater monitoring network. Areas of the former landfill would be available for future reuse and redevelopment.

Find out more about the plan by reading Allied Landfill Proposed Plan Fact Sheet, Frequently Asked Questions, Proposed Plan and Proposed Plan Tables.

**There will be a 60-day public comment period from Sept. 30 – Dec. 1, 2015.**

**EPA will hold a public meeting:**

**Thursday, November 19, at 6:00 p.m.**

Washington Writers' Academy Cafeteria  
1919 Portage St.  
Kalamazoo, Mich.

EPA representatives will present details of the plan and oral comments will be accepted and recorded by a court reporter.

EPA will also be available to answer questions and participate in a discussion with the public at two Community Roundtable events:

- Thursday, Oct. 15, 6 p.m. at the Washington Writers' Academy or
- Thursday, Oct. 22, 6 p.m. at the Hispanic American Council, St. Joseph Parish Gymnasium, 930 Lake St., Kalamazoo. A translator will be available for Spanish-speaking members of the community.
